### RULES AND PREREQUISITES

1. The coach who his player will achieve the highest score will be named as the Coach of the Year. If two players or even more have the same points then the one with the highest ranking (PLAYER) will be consider as higher.
2. Coaches can only get points from one player each year. In case they have more players assessed then the one with the higher score will be taken in account
3. A player can assessed and give points to the coach only if he plays at least one (1) Pancyprian Tournament (National) that particular year.
4. Doubles disinctions are already calculated in the junior events (combined rankings for ITF & TE). Men's and Women's events will carry the 50% of the points listed above.
5. Coaches have to be qualified according to the Cyprus Sports Organisation legislation (by being a member of Cyprus Tennis Coaches Association- Σ.Π.Α.Κ) and they have to be in good terms with Cyprus Tennis Federation.
6. National Coaches are exempted except only if they are Davis Cup/Fed Cup captains and fall in the distinction rules above.
7. If a player has 2 coaches then each coach will receive the 50% of the player's score.
8. If a player changes his coach during the season then if the change is done before the 01/07 the new coach will receive the points, whereas if the change is done after the 01/07 the initial coach will receive them.
